This contract is a binding agreement for service between the host and SALTability Retreat. SALTability Retreat must receive all names of guests and treatment choices listed on page 2 of this contract.

Guests should arrive 20 minutes prior to the start of your scheduled time to fill out intake forms, relax and settle in prior to their services.

Services will begin promptly at time indicated with treatments being done in rotation between guests in the party.

Because our time is reserved specifically for your party, guests arriving late will not be guaranteed full treatment time and hosts will be responsible for treatments reserved.

A 20% CASH gratuity will be added to the party based on the total service amount.

Cancellations or reschedules may be done with 7 days notice prior to the party date with no penalty. With less than 7 days notice, the deposit is retained by Saltability Retreat. No shows will result in a full charge of the total services to the party host.

The host will be responsible for and charged the full amount of treatments reserved for any guests not in attendance the day of the reservation. Should any member of the party that we have on the contract not make their appointment, the below signer is still liable for the cost of the contracted services.

Deposit:

To reserve your party, we require a 20% deposit based on the total services reserved paid via credit card. The total amount of all services is due before the start of the sessions on the date of the appointment. Any changes on the day of the event will be paid at the finish of service (added guests, upgrades, etc).
